Light Horse Co., 1st Infantry Division, 8th Battalion, 6th Artillery had there base camp in Phu Loi from 1965 to 1968? I was stationed at Light Horse for 13 months in 1967-8. The Light Horse Company, consisting of three platoons, was using 4-duce (108 mm) mortar artillery. We were unique, since Light Horse was the only 4-duce mortar company in Vietnam. A white horse was the logo on the sign. I cannot find any documentation of Light Horse except in "1st Infantry Devision - Vietnam", Volume 1 printed in 1967 by 1st Inf. Div.
