You omitted 1st Division artillery, 121st Signal Division, 1st Infantry Division

My unit was headquarters company, Co. B, 121st Signal division, we were located in Phu Loi and maintained landline telephone service on the base, radio support calling in artillery coordinates locations for air strikes, etc.

We also had 1st Platoon stationed in Phouc Vinh, 2nd platoon at Quan Loi, 3rd platoon at Lai Khe. 121st Signal headquarters was in Dian.
