hi jim

D Troop(AIR), 1st Squadron, 4th Cavalry, 1st Infantry Division

"Dark Horse" I was in the Infantry Platoon. We would Combat Assault into the area as soon as our scout ships spotted enemy activity.

Don't know how long they were based there. Maybe from 66. I got there in 69 then moved with the unit to Soc Trang when the Big Red One left. We then became C Troop, 16th Cavalry, 1st Aviation Brigade.

When Soc Trang was turned over to ARVN we moved to Can Tho. We remained there for the duration.

Can't thank you enough for this site Brother,

Tom
